

# DFB1411PSF-AC-2-ST/DD

## Multi-needle semi-automatic shirt placket sewing machine

4-needle, flat-bed, double chain stitch machine with Sensor-controlled cutter and stacker system.

Easy operation for shirt placket sewing with a sensor system.

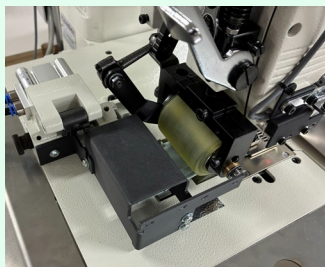

※The folder is not included in the system.  
※Specifications and appearance are subject to change without prior notice.

### Features

#### Sensor-controlled system

When the sensor detects fabric entry or exit, the tape cutting and stacking mechanisms are activated automatically. Easy to operate.

#### [User friendly functions]

##### ■ Cutting Device

The front panel cutting length is adjustable. Equipped with a safety cover.

##### ■ Stacking System

Dough can be temporarily stored using the stacker.
