G6-S3-01-356 步进剪线/Step cutting thread
G6-S3-35ZD-356 左切刀款/Left cutter model

全新智能款：一体电控箱 + 强制内供油，减磨损；新牙架设计，耐用更经济。步进电机驱动，剪线抬压脚更静音，兼容老款电磁铁，支持上下停针。标配打线凸轮外移，穿线便捷，适配筒状袖缝纫，可选自动剪线 / 夹线 / 抬压脚，及触摸按键屏 / 彩色屏。

New intelligent model: integrated electric control box + forced internal oil supply, reducing wear and tear; new feed dog design, more durable and economical. Driven by a stepper motor, thread trimming and presser foot lifting are quieter, compatible with old-style electromagnets, and support upper and lower needle stopping. Standard configuration with the thread take-up cam moved outward for easy threading, suitable for cylindrical sleeve sewing. Optional automatic thread trimming / thread clamping / presser foot lifting, as well as touch key screen / color screen.

采用步进电机驱动，剪线和抬压脚声音更轻。
Driven by stepping motor, the sound of thread trimming and presser foot lift is lighter.
